

Discussion: This amendment clarifies the rules to exclude the filing of motions for attorney's fees with the Board of Directors.

§9.05 Informal Resolutions and Settlement Agreements.

(b) Formal Settlement Agreement. The parties may agree formally to settle all or part of a disputed matter in accordance with section 414 of the Act. In that event, the agreement shall be in writing and submitted to the Executive Director for review and approval. *If the Executive Director does not approve the settlement, such disapproval shall be in writing, shall set forth the grounds therefor, and shall render the settlement ineffective.*

(c) Requirements for a Formal Settlement Agreement. A formal settlement agreement requires the signature of all parties on the agreement document before the agreement can be submitted to the Executive Director. A formal settlement agreement cannot be rescinded after the signatures of all parties have been affixed to the agreement, unless by written revocation of the agreement voluntarily signed by all parties, or as otherwise [required] **permitted** by law.

(d) Violation of a Formal Settlement Agreement. If a party should allege that a formal settlement agreement has been violated, the issue shall be determined by reference to the formal dispute resolution procedures of the agreement. If the particular formal settlement agreement does not have a stipulated method for dispute resolution of an alleged violation of the agreement, the following dispute resolution procedure shall be deemed to be a part of each formal settlement agreement approved by the Executive Director pursuant to section 414 of the Act: Any complaint regarding a violation of a formal settlement agreement may be filed with the Executive Director no later than 60 days after the party to the agreement becomes aware of the alleged violation. Such complaints may be referred by the Executive Director to a Hearing Officer for a final and binding decision. The procedures for hearing and determining such complaints shall be governed by subparts F, G, and H of these rules.

Discussion: The Board disagrees with comments that assert the Office has no statutory authority to settle disputes regarding the alleged violation of settlement agreements. Under section 414 of the Act, the Executive Director is clearly given plenary authority to approve all settlement agreements under the Act entered into at any stage of the administrative or judicial process. No settlement agreement can "become effective" unless and until such approval has been given. The Office is concerned that many settlement agreements do not include provisions for disposition of controversies regarding alleged violations of the agreement. Rather than consider initiating a practice of withholding approval of settlement agreements which do not include provisions setting forth dispute resolution procedures, the Office is providing all parties, by notice and rule, the option to include their own dispute resolution provisions, or default to the dispute resolution procedure stipulated in this proposed Rule when they enter into a settlement agreement. The word "permitted" was inserted in place of "required" as a clarification, since in this context a rescission of an approved agreement would rarely, if ever, be required by operation of law.

[§9.06 Destruction of Closed Files. Closed case files regarding counseling, mediation, hearing, and/or appeal to the Board of Directors may be destroyed during the calendar year in which the fifth anniversary of the closure date occurs, or during the calendar year in which the fifth anniversary of the conclusion of all adversarial

proceedings in relation thereto occurs, whichever period ends later.]]

Discussion: The Executive Director and the Board of Directors have been made aware that the Office of Compliance appears to be an agency covered by the requirements of the Federal Records Act (found at Title 44 of the U.S. Code). The Records Act requires that an agency consult with the Archivist of the United States regarding any record destruction program. Therefore, the Executive Director and the Board are withdrawing this proposal at this time, and will issue a new Notice regarding this subject matter after the requirements of the Federal Records Act have been satisfied.

§9.076 Payments [of] required pursuant to Decisions, Awards, or Settlements under section 415(a) of the Act. Whenever a decision or award pursuant to sections 405(g), 406(e), 407, or 408 of the Act, or an approved settlement pursuant to section 414 of the Act, require the payment of funds pursuant to section 415(a) of the Act, the decision, award, or settlement shall be submitted to the Executive Director to be processed by the Office for requisition from the account of the Office of Compliance in the Department of the Treasury, and payment.

Discussion: This proposed rule reflects the existing procedure for processing payments under section 415(a) of the Act. Since section 415 does not authorize automatic stays of judgments or awards pending appeal, parties are advised to seek such a stay from the appropriate forum. Adding an automatic stay of payment until all appeals have been exhausted would require an amendment of the Act.

§9.067 Revocation, Amendment or Waiver of Rules.
